# Transitional Kinder and Kindergarten

Susan Henry – CPL – Dramatic Play Center

Christine Statzel & Corene Oberholtz – Perdeu – Gross Motor Tricycles

Brittany McCullough – Falcon Ridge – Learn Through Play

-**Dramatic Play Center** Kinder activities with Mrs. Henry involving hand puppets to perform plays and thematic dress up costumes—a chef, a construction worker, a vet, an astronaut, a letter carrier, and more!

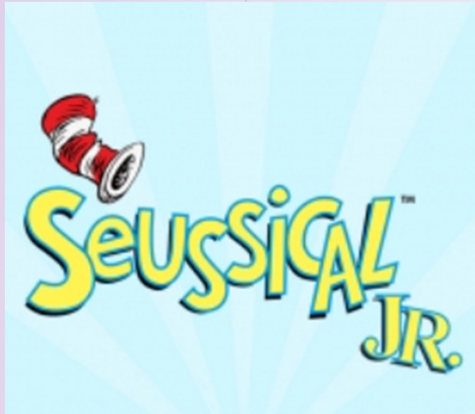

-**Jumbo Trike and a Taxi Trike** (with rider on the back) to enhance the gross motor skills on the TK/K playground at Perdeu

-**Blocks, puzzles, games and Dramatic Play Center supplies** to enrich the Plan-Do-Review centers in Mrs. McCullough's K class

# Extra Curricular Activities

Karen Ferns & Misty Cooper – Caryn – After School Drama  
Tahnee Harris – HIS – HIS Color Guard

-Caryn 5<sup>th</sup> grade after school performance of Seussical JR. with hanging **microphones** and a **new spot light**  
-HIS Tall Flags Color Guard materials-**tall flags, short flags and streamers**

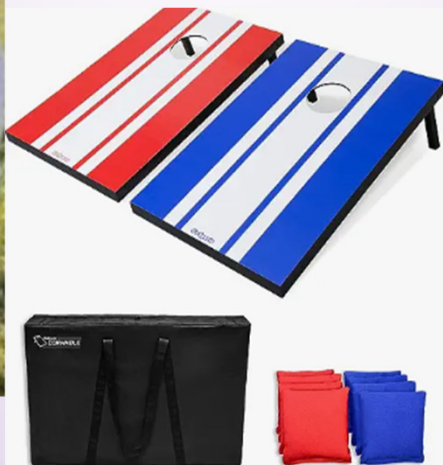

# Physical Activities

Jaterica Smith & Krystal Daniels - HIS – Hope Ambassadors  
Landon Borbon – Golden – P.E. 9 Square

-**Cornhole game sets** for HIS Lunchtime games program for community building and friendly competition during middle school lunch periods

-**9 Square Volleyball** for PE and Intramural activities at Golden to learn basic volleyball skills while fostering a positive learning environment

# Science

Ramon Contreras – DCIS – Light Waves  
Jessica Holden - SIS – Lab Rats Science Society

-**Light Wave Maze Project** aligned with Next Generation Science standards-guiding a light beam through a maze using mirrors

-**FlashForge Adventurer 3D printer** to create three dimensional models and prototypes for Science Fair

# Technology

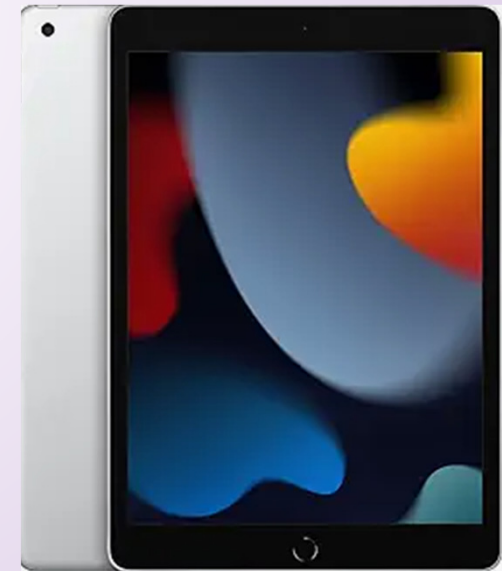

Enrique Rosas – SIS – Shark Bytes

Monica Adams – Etiwanda Colony – Access to Tech

-**Tripods, stabilization equipment and a portable keyboard** for the SIS Shark Bytes Video Production class

-**An Apple iPad** for academic programs such as Kids Academy, Footsteps to Brilliance, Sight words, CVC words, Daily STEM and more...

# Mathematical Thinking

Bobbi Patterson – West Heritage – Math on the Move  
Tiffany Saavedra – Terra Vista – Hands On Math for Littles

-**Hands-on math materials** to develop skills in multiplication facts, place value, decimals and fractions for Grades 1-5  
-**Multi-sensory math centers** to develop Kinder math skills in shapes, patterning, measurement, making ten, simple math facts and more

# Engaging All Learners

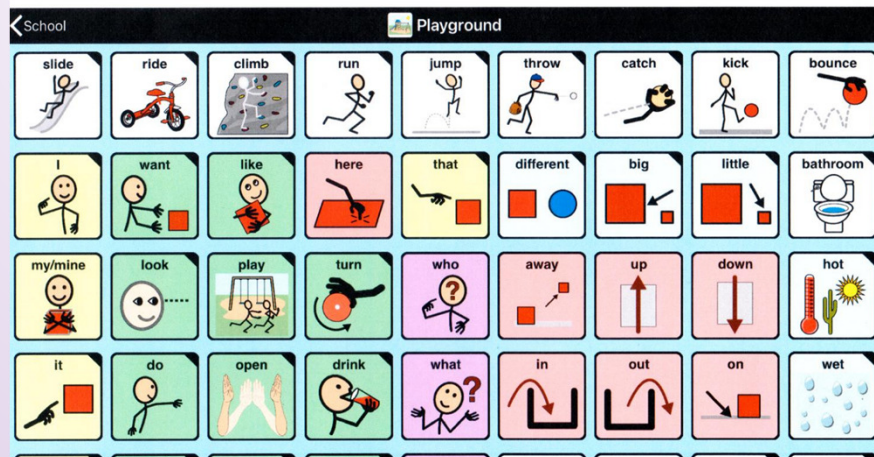

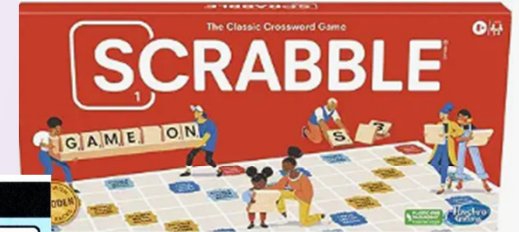

Jenna Main – SIS – Flexible Seating

Gina Ellis – HIS – Building Better Vocabulary

Katherine Saul – Perdeu & East Heritage – Core Boards

- Flexible seating** – floor cushions, floor chairs, bean bag chair
- Cooperative Board games** to build vocabulary, improve spelling and comprehension
- Core Word Boards** printed on banners for use on playground to improve communication

A graphic featuring a watercolor background with shades of green and teal. The text "THANK YOU, PRINCIPALS!" is written in a bold, sans-serif font. "THANK YOU," is in a dark teal color, and "PRINCIPALS!" is in a lighter green color. The text is centered within the graphic.

**THANK YOU,  
PRINCIPALS!**

Thank you for your partnership  
in supporting our  
Innovation Grants!

# Congratulations Grant Recipients!
